ABOUT ME

Huadan is multiple-talented: a software developer, a human resource (HR), and customer management specialist. With a master's degree and prior experience in HR and customer management, I am well-equipped with interpersonal skills, growth mindsets, and confidence to tackle new challenges. As a software developer, I love building/crafting applications, solving complex problems, and constantly exploring innovative technologies. Now, don't just take my word for it, and have fun exploring my portfolio! (<https://zhuhuadan.com>) : -)

EXPERIENCE

○ June 2023- Jan 2024
Technigo, Sweden
Web Developer

Completed a rigorous 22-week coding boot camp, dedicated over 2,000 hours for coding. Gained proficiency in JavaScript (ES 6), React, HTML5, CSS, server-side programming with Node.js, MongoDB, and authentication mechanisms. Completed over 24 projects covering everything from the basics of programming to structuring web projects using the latest technology.

○ Dec 2020 - Sep 2021
SHEIN, Sweden
Client Service

At SHEIN, a fast fashion company, I achieved a 98% customer satisfaction rate. Proficient in CSM, I managed 60+ daily tickets with 99% accuracy, emphasizing seamless Swedish customer experiences in logistics and returns.

○ Sep 2017 - Sep 2019
UCNEST, London
Marketing and Recruiter

At a startup tech company, I recruited and trained over 30 professionals, catalyzing organizational growth. In the realm of Marketing & Customer Service, I achieved 100% sales success with a 10% contribution from customer service while expanding into the Chinese market through trend-savvy, multichannel strategies.

○ Aug 2014 - Oct 2016
World International English, China
Regional HR Manager

Screened over 100 candidates and conducted 20 phone interviews daily, resulting in the recruitment of 500+ professionals, including key leaders. Orchestrated coaching programs to foster growth and aligned HR with strategic management to achieve business goals.

○ Feb 2013 - Jun 2014
SRE Group, China
HR Supervisor

Managed HR across multiple locations, overseeing monthly interviews for 150+ candidates and achieving annual onboarding exceeding 100. Implemented competitive reward and payroll strategy, executed organization-wide HR functions, integrating KPIs, 360 assessments, SMART goals, and a performance management system.
